RE: FIRE PREVENTION WEEK Is October 8th – 14th, 2017

This year Fire Prevention Week 2017 is October 8th through to the 14th.

This year's theme is ***'Every Second Counts: Plan 2 Ways Out!'***

It is the goal of Alberta's Office of the Fire Commissioner that every Alberta elementary student (K – 3) receive a "Fire Safety Starts With You" pamphlet and a "Every Second Counts: Plan 2 Ways Out!" magnet to share with his or her family.

Please assist us in distributing one pamphlet and magnet to every student in your school.

Have a SAFE and happy Fire Prevention Week, Thanksgiving, and Halloween during the month of October.

Thank you for your assistance.

Kevan Jess
Acting Fire Commissioner

"Smoke Alarms and Carbon Monoxide Detectors SAVE LIVES!"
"Have you tested yours today?"
